We refer to the above details. An appeal has been made to the Secretary of State against the London Borough of Camden regarding non-determination of the above planning and listed building applications. Whilst the applications had been refused, the decisions were issued after the appeals against non determination were submitted to the planning inspectorate. These decision notices will remain on file and regarded as drafts for the Inspector to take into consideration when the appeals are determined.

The appeal will be determined on the basis of **written representations**. The procedure to be followed is set out in Part 2 of The Town and Country Planning (Appeals) (Written Representations Procedure)(England) Regulations 2009, as amended.

We have forwarded all the representations made to us on the application to the Planning Inspectorate and the appellant. These will be considered by the Inspector when determining the appeal.

If you wish to make comments, or modify/withdraw your previous representation, you can do so online at <https://acp.planninginspectorate.gov.uk>. You can also send your comments to Roxanne Gold at [north1@planninginspectorate.gov.uk](mailto:north1@planninginspectorate.gov.uk)

**All representations must be received by 09 March 2022.** Any representations submitted after the deadline will not usually be considered and will be returned. The Planning Inspectorate does not acknowledge representations. **All representations must quote the appeal case number 3286015 or 3286011.**

Please note that any representations you submit to the Planning Inspectorate will be copied to the appellant and this local planning authority and will be considered by the Inspector when determining the appeal.
