Dear Sir/Madam

### **DECISION**

Town and Country Planning Act 1990 (as amended)

#### **Full Planning Permission Granted**

Address:  
**Flat 2**  
**47 Chalcot Road**  
**London**  
**NW1 8LS**

Proposal:  
Replacement of existing timber framed window and double doors with new slimline steel framed double glazed doors and windows on the rear ground floor.

Drawing Nos: 530-100-E; 530-101-E; 530-200-E; 530-101-P; 530-200-P; 530-500-P;  
Design and Access Statement received on 7th December 2021.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policies D1 and D2 of the London Borough of Camden Local Plan 2017.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans: 530-100-E; 530-101-E; 530-200-E; 530-101-P; 530-200-P; 530-500-P; Design and Access Statement received on 7th December 2021.

Reason:

For the avoidance of doubt and in the interest of proper planning.

Informative(s):

- 1 Reasons for granting permission.

The site is a three-storey terraced house with a lower ground floor, located on Chalcot Road and within the Primrose Hill Conservation Area. The property comprises retail and ground floor level with residential at upper floors.

Although the property is registered as No. 47, it is located behind a shop at No. 46.

It is proposed to replace the existing timber framed window and double doors with new slimline steel framed double glazed doors and windows on the rear ground floor.

Whilst the property is located in the Primrose Hill Conservation Area, the proposed works are located at the rear of the property and would not be prominent in public views.

Furthermore, given the varying styles of rear fenestration along this part of Chalcot Road/Fitzroy Road the proposals would not be out of character.

There was a design concern from Primrose Hill CAAC about the proposed glazing to the lower ground floor rear elevation and in particular, with the introduction of the projecting horizontal lintel which frames the new glazing. Revised drawings were consequently submitted with the projecting lintel removed altogether. Primrose Hill CAAC confirmed they do not object to the revised proposal.

Overall therefore, the proposals are considered to be sympathetic to and in keeping with the existing appearance of the host property in terms of the design, locations, proportions and materials, and would preserve the character and appearance of the building and Primrose Hill Conservation Area in which it is located, and as such, is acceptable.

There are no amenity concerns to neighbouring properties given the proposal would mainly replace existing building features and fenestration.

The site's planning and appeals history has been taken into account when coming to this decision. No objections have been received following statutory consultation.

Special attention has been paid to the desirability of preserving or enhancing the character or appearance of the Primrose Hill Conservation Area, under s.72 of the Planning (Listed Buildings and Conservation Areas) Act 1990 as amended by the Enterprise and Regulatory Reform Act [ERR] 2013.

As such, the proposal is in general accordance with policies A1, CC1, D1 and D2 of the Camden Local Plan 2017, the London Plan 2021 and the National Planning Policy Framework 2021.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).
- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at [www.camden.gov.uk](http://www.camden.gov.uk)) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
