2021/6078/P	Lucas Perraudin	05/02/2022 18:08:44	COMMNT	Hi, the erection of 2 storey 2 bed dwelling with basement creates risks with the digging of basement and changes the nature of appearance of our conservation area street. The consolidation of the existing ground floor retail and coffee and the kitchen extract plant will create nuisances. Both of these elements are pushing us to appeal and contest the legitimacy and legality of the construction. Please reach out. We will contact our solicitor. Thanks.
