Subject: Murphy's Yard Development

Dear Planning Dept

We have been alerted to the planning application for this site by the Heath and Hampstead Society. We have read, and entirely agree with, the Society's cogent, indeed unanswerable, objections to this damaging over-development. We are writing to echo those objections and to record our strong objections to the proposed development.

Kind regards

Sir Stanley and Lady Burnton
9 Kidderpore Avenue NW3 7SX
