2021/5963/P	James Fang	10/02/2022 03:13:20	PETITNOBJ E	I am the owner of flat 6 163 Iverson Rd and that you should object to the extension of planning application No. 2021/5963/P for many reasons. And the main reason is health and Safety issues. The stress has been too much and we are still dealing with the mess they have left us in.
