**No. 29 Great James Street – Planning Application No. 2021/5551/P**

I am writing to object in the strongest possible terms to the proposals set out in the above Planning Application. I have had the benefit of considering the “Neighbours’ Objections” submitted to the Council today, 8<sup>th</sup> February 2022, by a group of neighbours adjacent to No. 29. For the very detailed and comprehensive reasons set out in those Objections, the proposals should be rejected by Camden Council as totally unsuitable. The owners of no. 29 and their professional advisers should develop a renovation scheme which is entirely sympathetic to the precious, historic nature of the houses in Great James Street and their Grade II\* listing and also to the relevant legal rights of the neighbours impacted. Quite frankly, the proposals beggar belief given the context.

I shall be grateful if you will acknowledge receipt of my email.

Regards.
