Subject: Objection to planning application 2021/3225/P Murphys Yard

[REDACTED]

Hi there,

I am writing to let you know I object to the planning application 2021/3225/P Murphys Yard as it is too much high rise development close to the Heath that will disturb the views and encroach on the protected ecology and wildlife of the area.

I am not against the development in principle but it should not be so high rise.

Best wishes

Joanna Bevan
