Subject: Eileen Willmott Dartmouth Park tree comments 8/2/22

Dear Planners and Tree Officers,

List 670

2022/0296/T. 20 Brookfield Park

No objection to the felling of the dead/dying Cherry tree (T1) or the removal of the stem of the Cabbage Palm (T2).

2022/0227/T. 10 Dartmouth Park Avenue

I am concerned that removing 1.5m from the Yew will reduce its amenity value and become 'lollipop' like. Would you consider giving it a TPO to preserve this large Yew tree further?

I could not see any disease on this mature Plum tree. Therefore 'no comment'.

Unable as yet to view the trees at the rear of 33A and/or 33 Dartmouth Park Avenue.

Thank you,

Eileen Willmott
