access.

A tough weatherproof all-metal storage unit designed to give you the easiest possible access to your bikes and riding equipment. The Access holds up to 4 bikes* which is accessible via two large reinforced doors and a gas-lift reinforced lid. This shed also features a full metal floor (can be bolted to the ground), a 3-point

locking system, and a hidden ventilation system which allows air flow inside to keep condensation to a minimum. The Access bike store was given 9/10 by Cycling Plus and given the "Editors Choice award" Countless other magazines regard this as "the best bike store on the market".

"Short of using explosives I can't see anyway that someone is getting to my bikes".
