2021/5256/P	H Pandya	11/02/2022 14:46:49	OBJ	<p>No, why destroy Kilburn's character buildings for another monstrosity in the name of modern buildings. Can't we have anything nice in Kilburn?</p> <p>Seriously, it seems like you approve any application rather than make the community a lovely space. I am on a housing board which has properties in West Hampstead and Kilburn, Camden and Brent.</p> <p>What I know is that communities love the traditional long standing character and style of our high street, it feels like home. Please for heavens sake don't turn this into something like Willesden Lane's horrible housing with no charm, and lots of trouble.</p>
2021/5256/P	Joanne Scott	11/02/2022 19:08:36	OBJ	<p>I strongly object to demolition of this building on Kilburn High Road for the following reasons: The council has declared a climate emergency and should strongly resist demolition of buildings and encourage retrofitting and repurposing instead. The Royal Institute of British Architects (RIBA) supports halting demolition in order to reduce carbon emissions and therefore help the UK reach its net-zero targets by 2050. The design of the proposed building is poor and does not fit with the existing buildings on Kilburn High Road. Please refuse this application and consider saving this building and not destroying part of Kilburn's history.</p>
