I am writing to object to application 2021/3225/P, because;

1. It is far too dense a development.
2. Its height will shade the Lido which as a local resident my family uses.
3. There is no greenspace allocated within the development.
4. This means local facilities will be overwhelmed.
5. There is no concrete proposal for social housing.

It is a greedy development with adverse implications for a vitally important green space, Hampstead Heath
