

A ruler is shown with two scales. The top scale is in centimetres (METRES), with markings from 0 to 5. The bottom scale is in millimetres (MILLIMETRES), with markings from 0 to 50. A black bar is drawn on the ruler, starting at the 0 mark on the millimetre scale and ending at the 40 mark. This indicates a length of 40 millimetres, which is equal to 4 centimetres.
