Dear Mr McClue,

**RE: Condition 5 Discharge - Stephenson House, 75 Hampstead Rd, London NW1 2PL**

With reference to the above Planning Application, we are pleased to provide the enclosed material for the discharge of Condition 5 – *Screening* of Planning Permission ref: 2018/0663/P for your review and approval.

Enclosed with this submission you will find a document ref: *601-E2.32 Screening Details* which contains details of the proposed measures to reduce instances of overlooking and loss of privacy to neighbouring occupiers from the commercial terraces and residential windows on William Road elevation.

I trust the above material provides supporting information to close out the planning condition as listed. However, please contact us if you need any further clarifications. We would be happy to meet with you in person or via video conferencing if required.

Yours sincerely,
