Eligibility
Permitted development rights are subject to conditions set by legislation to ensure that only appropriate proposals are eligible. The need to apply to the Local Planning Authority to see if prior approval is required is one such condition.
The questions below will help determine if the proposals are eligible for this permitted development right.
Please specify the type of roof on which the solar photovoltaic equipment is to be installed:

Would any part of the solar photovoltaic equipment be higher than 1 metre above the highest part of the roof (excluding any chimney)? Or Yes
⊙ No
Would any part of the solar photovoltaic equipment come within 1 metre of the external edge of the roof?
○ Yes ⊙ No
Would the total electrical generation capacity of all the solar photovoltaics installed on the building under permitted development rights (previously and in this proposal) exceed 1 megawatt?
○ Yes
⊘ No
Would the solar photovoltaic equipment be installed on roof slope which fronts a highway, of a building: • in a conservation area;
• in an area of outstanding natural beauty;
• in an area specified by the Secretary of State for the purposes of enhancement and protection of the natural beauty and amenity of the countryside;
• in the Broads;
in a National Park;in a World Heritage Site
Or, be installed on any part of the roof of a building that is:
• a scheduled monument (or the site contains one)
 a listed building (or within the curtilage of a listed building) Yes
⊘ No
Description of Proposed Works
Please describe the proposed development:

This project will install solar panels on the roof of Talacre sports centre. The installation will be financed through a community share offer, and offer benefits to the sports centre, its users and Camden Council by mobilising finance from the community to scale renewable energy that will be sold back to the site at a discount, so reducing running costs. This project is in line with Camden Council's Climate Action Plan and has been designed with the support of its Sustainability Team.
