Dear Sir/Madam

I write to object to the development plan for Murphy's Yard.

It is massive overdevelopment.

These tall and densely sited buildings will detract from the important view from Hampstead Heath. The fringes of the Heath must be protected or the Heath will be downgraded. The Heath is an enormously valued amenity - it must not be jeopardised by such a dense development on the edge.

The plans have been drawn without proper regard to the provision of open space, green space, and environmental protection.

Yours faithfully
