Dear Mr Campbell,

I am writing to object to the Utopia Village proposal 202-/5939/P. I tried to make an objection online on Friday, but the application was closed to comments on the 17th February. This conflicts with the yellow notice posted on my street, which says comments close on 21 February. Please see pictures of both below showing the discrepancy.

I hope you will still take my comments.

I strongly object to the proposal. I am an owner of 85 Gloucester Avenue and our property backs onto Utopia Village. Utopia's proposal for air conditioning units to be placed on top of Utopia to the detriment of surrounding properties which would have to see and hear these units is contrary to environmental principles and contrary to planning principles for the conservation area.

I urge you to deny the request.

Thank you
Michelle Cuttler
