Subject: Planning application, 22 Frognal Way

Dear Mr Bell

cc: Andrew Parkinson

Application 2021/5770/T

We would like to register our concern over the planning application from 22 Frognal Way, NW3 6XE to:

Lime tree – reduce the crown by 4m

Beech – reduce height by 2m and lift crown to 4.5m

The reasons are as follows:

- These two trees are subject to a TPO and therefore there should be further consideration on their merit;
- The trees are in a conservation area;
- The trees are crucial to the ecology and landscape of the local area;
- The trees are visible not only from the surrounding residential properties (including ours at 16 Church Row) but also from St John's Churchyard and Frognal Way;
- The trees provide an important visual and sound screen between 22 Frognal Way and the adjacent properties on Church Row;
- There has been no neighbourhood consultation re: this application;
- There has been no opportunity for comments on this application;
- Such drastic work to these important and well established trees needs further consideration.

Yours sincerely

Hilton and Louise Nathanson
16 Church Row, NW3 6UP
