Subject: Pollarding of plane tree in back garden 29 Patshull Road [E-CASE: Nk5gNv, E-TICKET: bjZdXx]

Dear Sir,

I have a mature London plane tree in my rear garden which should be pollarded. Proposed work is to reduce crown by 30%. I live in a conservation area.

From my records it was last done in 2017.

Please can you tell me how I apply to you for consent.

I do not yet have a tree surgeon to carry out this work.
Does Camden have a list of approved tree surgeons ?

Thank you for your help,

Yours
