Advisory Committee	Belsize
Application ref	2021/6021/P
Address	Flat A 27 Buckland Crescent London NW3 5DH
Planning Officer	Fergus Wong
Comments by	14 Mar 2022
Proposal	Side infill and rear extension at lower ground floor level with rooflight, green roof and roof terrace above, new door and window to side passage.
Objection	Yes
Observations	Objection  There is no justification for the back addition being any longer or higher than the adjoining one at no.25.  The obscured screen should be 1.8m high to give adequate privacy.  The new windows and doors should be timber.  The front garden is the only one in a row of six with an impervious parking surface. Rather than install an electric car charger it would be preferable to return the garden and wall to its original condition.  David Thomas for BCAAC
