2022/0528/P	Xu Ngo	24/02/2022 16:27:09	COMMNT	<p>We object to this for many reasons: increased population density without modifications to the local underground tubes stations. Loss of the large sainsburys supermarket. smaller more expensive express stores are being planned. Environmental- increased noise pollution, increase dirt to the area. the plan is also suffering from high carbon footprint than current. Loss of the local services for Audi, VW etc Loss of local amenities and increase in population. the flat to shop proportions are actually concerning</p>
2022/0528/P	S. Green	24/02/2022 19:29:13	OBJ	<p>The supermarket in the new development should be the same size as the existing Sainsbury's. This is very important as the number of residents in the area will be increasing.</p>
