Dear Sir

Murphy's Yard Development

As an elderly Hampstead resident I am writing to you to express my profound dismay and objection to the proposed construction of residential tower blocks along the merger of Hampstead Heath near the Lido area.

The erection of such tall buildings here would destroy much of the valued view of London from this part of the Heath and, worse, set a precedent in future for yet more tower blocks to be built around the perimeter of the Heath.

I urge Camden Council to reject the proposal for the erection of high-rise towers so close to beautiful Hampstead Heath. This lovely area has already been badly affected and damaged by urban development around it. We do not want any more.

Yours sincerely

Planning
