2022/0240/P	Cindy Sughrue	28/02/2022 12:44:24	SUPPRT	I am writing in support of Doughty Street Chambers' application to fit photovoltaic (solar) panels on their properties in Doughty Street. This is a progressive and forward-thinking project that will positively contribute to environmental sustainability, while protecting heritage buildings. It may also inspire and build confidence in other businesses and residents when they see that alternative, green power can become a reality.
