Subject: Objection 2022/0419/T

Dear Sir/Madam,

My name is John Wolfe

My address is 48 Millman Street London WC1N 3EW.

I wish to object to the proposed removal of two trees at 8 Doughty Street.

Trees help reduce pollution and are the lungs of cities.

There are experts that say the trees have caused minor damage and there is no need to remove them at this time.

Yours sincerely
John Wolfe
