The plan to put high rise blocks up on this development, destroying the view from Hampstead Heath across London, is not acceptable.

The views from the Heath are an essential part of this wonderful open green space, enjoyed by hundreds of Londoners, not only by local residents.

Is there any reason why the development cannot be done without high rise blocks. Is it purely a matter of maximising how much money can be made by the Developers irrespective of the surrounding area.

Bobby Holmes  
South Hill Park Gardens.
