Dear Sir/Madam

## **DECISION**

Town and Country Planning Act 1990 (as amended)

### **Householder Application Granted**

Address:  
**39 Queen's Crescent**  
**London**  
**NW5 3QD**

Proposal:  
Single storey ground floor side infill extension.

Drawing Nos: Site Location Plan, 2961/01/200 Rev 1, 2961/01/201 Rev 1, 2961/01/400 Rev 1, 2961/01/401 Rev 1, 2961/03/200 Rev 1, 2961/03/201 Rev 1, 2961/03/400 Rev 1, 2961/03/401 Rev 1, 2961/03/402 Rev 1, 2961/01/500 Rev 1

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans

Site Location Plan, 2961/01/200 Rev 1, 2961/01/201 Rev 1, 2961/01/400 Rev 1, 2961/01/401 Rev 1, 2961/03/200 Rev 1, 2961/03/201 Rev 1, 2961/03/400 Rev 1, 2961/03/401 Rev 1, 2961/03/402 Rev 1, 2961/01/500 Rev 1

Reason:

For the avoidance of doubt and in the interest of proper planning.

- 3 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy D1 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 Reasons for granting permission.

The proposal is for the erection of a single-storey side infill extension in the rear garden.

The application site is a mid-terrace period property that is not located within a Conservation Area nor is it listed.

The proposed side extension would infill the area between the existing outrigger and boundary wall. It would be subordinate to the host property and an acceptable amount of open amenity space would be retained. The roof would have glass panels and glazed aluminium-framed garden doors are proposed, and the walls would be London stock brick which are considered acceptable.

The proposal is not considered to cause any adverse impacts on the amenity of adjoining residential occupiers with only a minimal impact on outlook and enclosure, somewhat mitigated by the sloped roof.

No objections have been received prior to making this decision. The planning history of the site has been taken into account when coming to this decision.

As such, the proposed development is in general accordance with policies A1 and D1 of the Camden Local Plan 2017. The proposed development also accords with the London Plan 2021 and the National Planning Policy Framework 2021.

- 2 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building

Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS  
(tel: 020-7974 6941).

- 3 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 4 All works should be conducted in accordance with the Camden Minimum Requirements - a copy is available on the Council's website (search for 'Camden Minimum Requirements' at [www.camden.gov.uk](http://www.camden.gov.uk)) or contact the Council's Noise and Licensing Enforcement Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No. 020 7974 4444)

Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You must secure the approval of the Council's Noise and Licensing Enforcement Team prior to undertaking such activities outside these hours.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
