2021/5953/P	Mojgan Green	01/03/2022 10:09:22	COMMNT	<p>The proposed is too large, and may indicate 6 poorly maintained tree/ shrubs removal detrimental to CA.</p> <p>This large hut proposed to be used as a childrens playroom, indicates lack of understanding of sustainable design in our area.</p> <p>This proposal will damage the reasonable green space and and also a visual amenity to owners and neighbours alike.</p> <p>The effort should rather be put to use in enhancing and maintaining of the currently neglected rear garden; trees and mature bushes. This will ensure a better general playground for the kids and will avoid harm to our conservation area.</p>
