2021/6071/P	Sarah Tuckman	02/03/2022 10:33:28	SUPC	I wholeheartedly support this application, and hope that consent will be granted. Please include a condition restricting the height of the rear garden boundary between no. 5 & no.3 to 2.0 meters from no.3 ground level as per the Applicant's comment received on 28 February. This will protect my rear garden & the rear of my property both from substantial loss of light from the south and south west and from significant loss of outlook in the years to come.
