2022/0216/P	Patrick Meier	01/03/2022 12:18:55	OBJ	<p>This application should be refused.</p> <p>The justification for cooling based on the inability to open windows because of noise etc is quite ridiculous. This is a quiet road, with some traffic at the front and quiet gardens at the back. Ventilation should be through opening windows rather than installing unnecessary air conditioning which is environmentally unfriendly and will cause noise to neighbours</p>
