2022/0792/T	Nix	02/03/2022 07:34:06	COMMNT	Why are the ash trees being felled? One cannot really tell from the pictures supplied. Are they dead or dying? I think reasons should be provided even though a tree is not subject to a Tree Preservation Order. It also appears to me that the application form is a new design, and I don't think it lends itself to clear interpretation or listing of reasons for the felling of trees.
