Dear Amy

Thanks for your letter of consultation.

In my personal capacity I am supportive of these very modest renovation works and wish my new neighbours well with their project.

In my capacity as Chair of the Fitzroy Park Residents Association, I can confirm that prior to the works commencing, the Applicant and his team met with FPRA and have been very collaborative with regard to use of the private carriageway such as deliveries, no unloading from or contractors' parking on the carriageway and so on. As a consequence FPRA has no comments.
