2021/3225/P	Tina	05/03/2022 08:38:43	APP	There is a clear need for more 3 and 4 bedroom homes as stated in the figures yet you purposely ignore this need and have decided to make more 1 and 2 bedroom homes even more than needed. Why? You are thinking about your profits rather than the need for family homes when people are struggling in overcrowded situations.
