The Council has considered your application and decided to **refuse** advertisement consent for the following reason(s):

#### Reason(s) for Refusal

- 1 The proposed advertisement, by virtue of its location, scale, prominence and method of illumination, adjacent to the entrance to Goodge Street Station would introduce a distraction to traffic and pedestrians, causing harm to highway and public safety, contrary to Transport for London guidance, and to Policies A1 (Managing the Impact of Development), D4 (Advertisements) and T1 (Prioritising walking, cycling and public transport) of the Camden Local Plan 2017
- 2 The proposed advertisement, by virtue of its location, scale, prominence, and method of illumination, would add visual clutter, detrimental to the amenity of the streetscene, wider streetscene, conservation area and setting of the listed building at

200-208 Tottenham Court Road, contrary to policies D1 (Design), D2 (Heritage) and D4 (Advertisements) of the Camden Local Plan 2017 and Part 3 (Vision and objectives) of the Fitzrovia Area Action Plan 2014.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.
