|    | 1:100               |

| 02 | Proposed Elevation |
|----|--------------------|
|    | 1:100              |
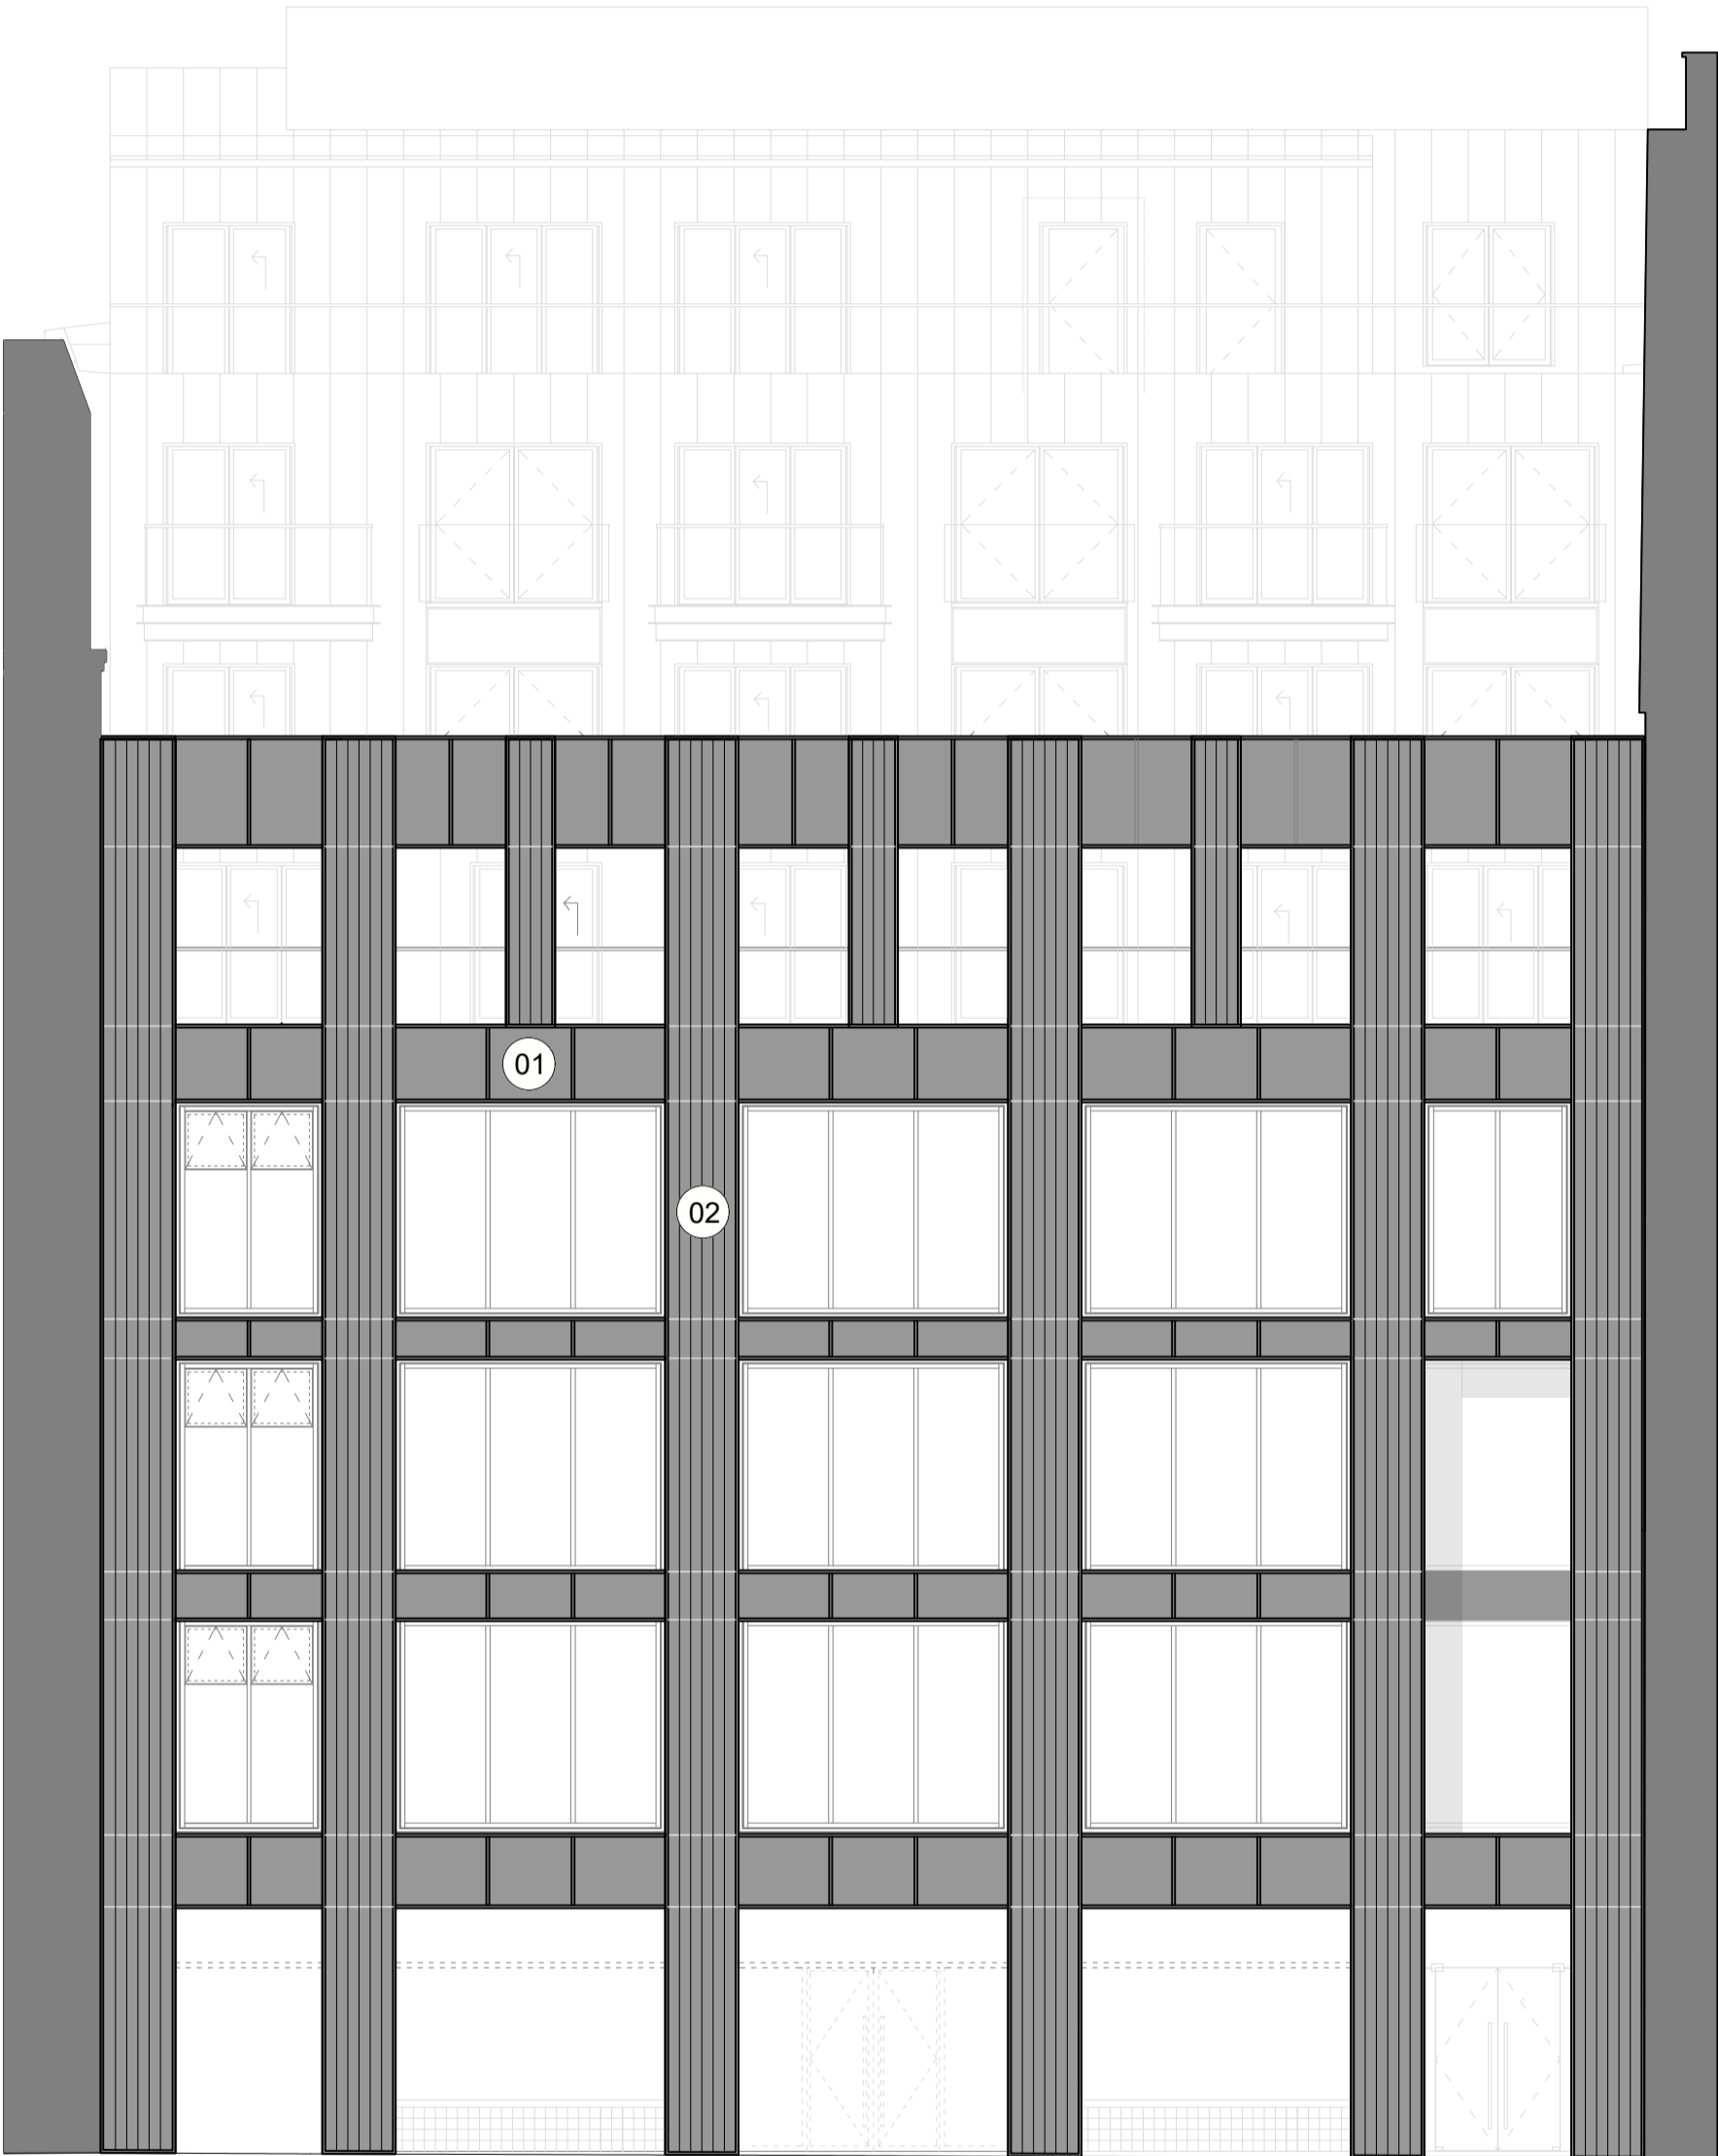

**Important note**

This information is confidential and the copyright of Anomaly.
Anomaly accepts no liability for use of this drawing by parties other than the party
for whom it was prepared or for purposes other than that which is stated on the
issue sheet. It shall not be disclosed or passed to any other party in any form in
whole or part without anomaly's express permission in writing nor should any
other party place reliance upon it.
Where data is supplied electronically, it is for convenience only. The original
information is the printed or controlled copy which will be supplied on request.
All dimensions are in millimetres. No dimensions or other information shall be
inferred from the electronic data unless specifically stated on the printed or
controlled copy. Where dimensions are not given, drawings must not be scaled
and the matter should be referred back to Anomaly.
This drawing should be read in conjunction with all other project information,
produced by Anomaly and others. In the event of any conflict between the
information contained on this drawing and in any other project document,
drawings, specifications, schedules etc. the matter must be referred back to
Anomaly for clarification.
All dimensions and conditions are to be checked on site by the contractor prior to
preparing designs, drawings, calculations etc. or commencing any work. The
contractor is responsible for checking that there is no conflict between site
dimensions and drawn dimensions.
