2021/6002/P	Catherine Ferguson	11/03/2022 18:29:41	OBJ	The proposed new garden building (Studio1) would effectively halve the already narrow gap between the current conservatory and the fence at the bottom of my garden at no 7a, as the footprint of the new building is to be placed 800mm/80cm (ie over 2 and a half feet) closer to my perimeter.
