Formal objection to telecommunications base station etc.
2022/0083/P
33-34 Alfred Place, London, WC1E 7DP

Dear Edward,

We would like to object to the installation of six antennas and associated works as the proposal will have a negative effect on the views and townscape of the Bloomsbury CA.

The antennas will be visible from Store Street and Alfred Place and will be an unsympathetic accretion to the host building that would have a detrimental impact on the Bloomsbury CA. We, therefore, urge that the proposal be refused.

Best wishes,

Sam Reed,
On behalf of the Bloomsbury CAAC.
