Details of the pre-application advice received

That full planning permission is required under the category "Advertisement"

Also from Claire Brown that a single planning application would be sufficient to cover the three interpretation boards for which funding has been received from Camden even though they are in separate locations within South Grove

## Interest In the Land

Does the applicant own the land or buildings where the adverts are to be placed?

- ☐ Yes  
☒ No

If No, has the permission of the owner or any other person entitled to give permission for the display of an advertisement been obtained?

- ☐ Yes  
☒ No

If No, why has permission not been obtained?

The land is owned by Camden Council. This planning application relates to the implementation of an approved CIL application, details of which were originally submitted to Cllr Anna Wright for consultation with other two councillors for Highgate Ward, which were approved by the three councillors and passed to full council (or its officers) for approval. Details of the location were included in the CIL application which the Council has approved (subject of course to Planning Consent).

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
