Proposal	Erection of single storey timber-clad outbuilding in rear garden
Objection	Yes
Observations	<p>Object.</p> <p>This is a poorly designed, large, insensitive box which is too wide and too high on the boundaries, is highly visible and will be used as an office.</p> <p>It is not a replacement garden shed as it is fully insulated, the large metal windows are double glazed and it will be a source of light pollution to surrounding properties.</p> <p>Object to the loss of open green space and the felling of the tree.</p> <p>Eldred Evans Chair BCAAC</p>
