2021/6265/P	S Mills	18/03/2022 08:39:22	OBJ	The lesson of Lyncroft Gardens is that HMOs are poorly administered and attract anti-social behaviour. Neighbours are particularly affected by fly-tipping, noise and the blight of numerous waste bins. Unfortunately Camden doesn't seem to have the resources to deal with these problems and under the circumstances HMOs ought to be avoided. HMO conversions are also harmful to the existing building fabric and streetscape.
