2022/0186/P	Andrew Jacobs	17/03/2022 12:52:34	OBJ	There has been a lack of due process. The notice put up in the street outside 16 New End Square to alert people to the planning and listed building applications was not in place at least one week before the end of the consultation period. As at 13/3/22, one week before the end of the consultation period, no notices were displayed in the vicinity of the property. This is unfair to neighbours as it restricts their ability to know that there is a planning and a listed building application and to respond to them. This failure of proper process needs to be remedied for this process to be valid.
