2022/0516/A	Kay Williams	17/03/2022 13:44:50	OBJ	<p>Please be advised that there are currently several large unattractive garish food advertisement posters located on the outside of all the windows of this shop. they fill all the windows from top to bottom</p> <p>These hoardings are not included in the planning application and proposed drawings and are entirely inappropriate for a property located adjacent to a conservation area</p> <p>Also there are several freezer backs being displayed onto Fitzroy Street which detract from the local visual amenity and are also entirely inappropriate and create an extremely poor street frontage.</p> <p>My view as a business rate payer situated in Fitzroy Square is that all of the above are not appropriate street frontage for a conservation area with listed buildings and, therefore, should be removed as soon as possible.</p>
