Dear Sir/Madam

DECISION

In accordance with section 60 (2B) and (2C) of the Town and Country Planning Act 1990 (as amended by section 4(1) of the Growth and Infrastructure Act 2013)

Process set out by condition MA.2 of Schedule 2, Part 3, Class MA of the Town and Country Planning (General Permitted Development) Order 1995 (as amended)

Certificate of Lawfulness (Proposed) Prior Approval granted

The Council, as local planning authority, hereby confirm that their **prior approval is granted subject to a section 106 legal agreement** for the proposed development at the address shown below, as described by the description shown below, and in accordance with the information that the developer provided to the local planning authority:

Address of the proposed development:
81 Belsize Park Gardens
London
NW3 4NJ

Description of the proposed development:

Application for Prior Approval under Part 3 (Change of Use) Class MA (commercial, business and service uses to dwellinghouses) of The Town and Country Planning (General Permitted Development (England) Order 2015 (as amended) to convert existing building into 3 x Duplex residential units.

Details approved by the local planning authority:

Drawing Nos: OS.01; EX.01; EX.02; EX.03; EX.04; EX.05; EX.06; EX.07; EX.08; EX.09; EX.10; PA.01F Rev. B; PA.02F Rev. B; PA.03F Rev. B; PA.04F Rev. B; PA.05F Rev. A; PA.06F; PA.07F; Cover Letter dated Sept 2021; Letter from Shoosmiths dated Feb 2021; Transport Statement produced by YES Engineering Group Limited dated Aug 2021; Phase 1 Contaminated Land Desktop Study Report produced by Herts &

Essex Site Investigations dated Aug 2021; Flood Risk Assessment produced by SLR dated Aug 2021; Daylight and Sunlight Report produced by Right of Light Consulting dated Aug 2021; Outline Fire Safety Strategy Issue 02 produced by Ashton Fire dated Sept 2021

Condition(s):

- 1 The change of use from commercial (Class E) to residential use (Class C3) at ground, first, second and third level to provide three self-contained units is permitted under Schedule 2 Part 3 Class MA of the Town and Country Planning (General Permitted Development) Order 2015 (as amended).
- 2 Prior to first occupation of the development, full details of the secure and covered cycle storage area for at least 6 cycles spaces shall be submitted to and approved by the local planning authority. The approved facility shall thereafter be provided in its entirety prior to the first occupation of any part of development, and permanently retained thereafter.
- 3 Part A:
No development shall commence until a site investigation is undertaken and the findings are submitted to and approved in writing by the local planning authority.

The site investigation should assess all potential risks identified by the desktop study and should include a generic quantitative risk assessment and a revised conceptual site model. The assessment must encompass an assessment of risks posed by vapour intrusion into buildings. All works must be carried out in compliance with LCRM (2020) and by a competent person.

If applicable following the site investigation:

Part B:

No development shall commence until a remediation method statement (RMS) is submitted to and approved in writing by the local planning authority. This statement shall detail any required remediation works and shall be designed to mitigate any remaining risks identified in the approved quantitative risk assessment. This document should include a strategy for dealing with previously undiscovered contamination. All works must be carried out in compliance with LCRM (2020) and by a competent person.

Part C:

Following the completion of any remediation, a verification report demonstrating that the remediation as outlined in the RMS have been completed should be submitted to, and approved in writing, by the local planning authority. This report shall include (but may not be limited to): details of the remediation works carried out; results of any verification sampling, testing or monitoring including the analysis of any imported soil and waste management documentation. All works must be carried out in compliance with LCRM (2020) and by a competent person.

Reason: To ensure the risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development

can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors, in accordance with policies G1, D1, A1, and DM1 of the London Borough of Camden Local Plan 2017.

Informative(s):

- 1 It is a requirement of the above condition MA.2 that the development must be completed within a period of 3 years starting with the date prior approval is granted.
- 2 It is a requirement of the above condition MA.2 that any building permitted to be used as a dwellinghouse by virtue of Class MA is to remain in use as a dwellinghouse within the meaning of Class C3 of Schedule 1 to the Use Classes Order and for no other purpose, except to the extent that the other purpose is ancillary to the use as a dwellinghouse.
- 3 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ.
- 4 Your attention is drawn to the need for compliance with the requirements of the Environmental Health regulations, Compliance and Enforcement team, [Regulatory Services] Camden Town Hall, Argyle Street, WC1H 8EQ, (tel: 020 7974 4444) particularly in respect of arrangements for ventilation and the extraction of cooking fumes and smells.
- 5 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Noise and Licensing Enforcement Team, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (Tel. No. 020 7974 4444 or search for 'environmental health' on the Camden website or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 6 This approval does not authorise the use of the public highway. Any requirement to use the public highway, such as for hoardings, temporary road closures and suspension of parking bays, will be subject to approval of relevant licence from the Council's Streetworks Authorisations & Compliance Team, 5 Pancras Square c/o Town Hall, Judd Street London WC1H 9JE (Tel. No 020 7974 4444). Licences and authorisations need to be sought in advance of proposed works. Where development is subject to a Construction Management Plan (through a requirement in a S106 agreement), no licence or authorisation will be granted until the Construction Management Plan is approved by the Council.
- 7 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts that cover aspects including fire and

emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Judd St, Kings Cross, London NW1 2QS (tel: 020-7974 6941).

- 8 You are reminded of the need to provide adequate space for internal and external storage for waste and recyclables. For further information contact Council's Environment Services (Waste) on 020 7974 6914/5 or see the website <http://www.camden.gov.uk/ccm/content/environment/waste-and-recycling/twocolumn/new-recycling-rubbish-and-reuse-guide.en>.
- 9 Under Section 25 of the GLC (General Powers) Act 1983, the residential accommodation approved is not permitted for use as holiday lettings or any other form of temporary sleeping accommodation defined as being occupied by the same person(s) for a consecutive period of 90 nights or less. If any such use is intended, then a new planning application will be required which may not be approved.
- 10 With regard to condition 3, the preliminary risk assessment is required in accordance with CLR11 model procedures for management of contaminated land and must include an appropriate scheme of investigation with a schedule of work detailing the proposed sampling and analysis strategy. You are advised that the London Borough of Camden offer an Enhanced Environmental Information Review available from the Contaminated Land Officer (who has access to the Council's historical land use data) on 020 7974 4444, or by email, <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-contaminated-land-officer.en>, and that this information can form the basis of a preliminary risk assessment. Further information is also available on the Council's Contaminated Land web pages at <http://www.camden.gov.uk/ccm/navigation/environment/pollution/contaminated-land/>, or from the Environment Agency at www.environment-agency.gov.uk.
- 11 This proposal may be liable for the Mayor of London's Community Infrastructure Levy (CIL) and the Camden CIL. Both CILs are collected by Camden Council after a liable scheme has started, and could be subject to surcharges for failure to assume liability or submit a commencement notice PRIOR to commencement. We issue formal CIL liability notices setting out how much you may have to pay once a liable party has been established. CIL payments will be subject to indexation in line with construction costs index. You can visit our planning website at www.camden.gov.uk/cil for more information, including guidance on your liability, charges, how to pay and who to contact for more advice. Camden adopted new CIL rates in October 2020 which can be viewed at the above link.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraph 38 of the National Planning Policy Framework 2021.

You can find advice in regard to your rights of appeal at:

<http://www.planningportal.gov.uk/planning/appeals/guidance/guidancecontent>

Yours faithfully

A handwritten signature in black ink, appearing to read 'DPope', is positioned above the typed name.
