Subject: Tree Planning comments for Dartmouth Park. 25/3/22

Dear Planners and Tree Officers,

List 675. (7/3 - 13/3/22)

2022/0947/T. 16 Churchill Road

This Willow tree is in good condition and has amenity value both to the owners and to their neighbours. Rather than fell it, could it have a root barrier inserted between the tree and the nearby garden wall?

2022/0948/T. 98 Chetwynd Road

This Fir tree is in good condition. However as confers are very difficult to prune and maintain, you may decide that it is an inappropriate species for the location.

List 676 (14/3 - 20/3/22)

2022/110/T. 48 Croftdown Road

No objection to the proposed work on this Mulberry tree as it is reduction to previous points.

2022/1116/T. 79 Dartmouth Park Hill

No objection to the proposed work on this Sycamore tree as it is reduction to previous points.

Thank you,
Eileen
