Subject: Issues with Consultation - Planning Application 2022/0013/P

[EXTERNAL EMAIL] Beware – This email originated outside Camden Council and may be malicious Please take extra care with any links, attachments, requests to take action or for you to verify your password etc. Please note there have been reports of emails purporting to be about Covid 19 being used as cover for scams so extra vigilance is required.

Dear Camden Planning,

We are [REDACTED] with the property 2 Haversham Place that made an application with reference 2022/0013/P.

We are residents of [REDACTED]. We have just been made aware of this application this morning as no notice was sent to us via post and no other neighbours in the community were made aware of the application either.

As a result we feel that we have effectively not been consulted about their plans and we have not had the opportunity to submit our comments as we note the consultation period is now over. Could this be extended to give neighbours the opportunity to comment?

Our main issue is with the side dormer on the proposed plans which faces our property and overlooks our bathroom.

We have already raised this with the owners before the submitted the application and we we were under the impression they would be amending the proposed plans, until we saw their submitted application here which they didn't make us aware of.

If an extension to the consultation period could be considered.

Thank you

Sophia Fafalios
