Dear Planners and Tree Officers,

Continuation of List 676
2020/2857/T. 22 Croftdown Road

I object to the felling of this silver birch tree, no reason is given for its felling. Various other local silver birches have been crown reduced and/or thinned(see my comments of 17th July 2018 and also refer to 2018/3012/T). The applicant had a 3m crown reduction carried out with lateral branches pruned by up to 2m in 2016 (2016/5769/T) and a reduction of 1.5 - 2.0m was allowed, with a 20% thin, 'to gain light for No 24', 'retaining the right hand limbs to remain screening from neighbours'. Therefore I suggest a further crown reduction, and thinning as necessary, rather than fell this tree.

Thank you,
Eileen
