| Proposal | Erection of a single storey extensions to the front and rear elevation at ground floor level; alteration to the fenestration treatment to the front and rear and alteration to the landscaping treatment to the rear elevation. |
| Objection | Yes |
| Observations | <p>Objection</p> <p>The front extension is completely out of keeping with the adjoining properties. The front elevation should remain unchanged.</p> <p>The rear extension should not extend beyond the rear of no.20, the splay is inappropriate. The rooflight is unnecessary and could lead to light pollution.</p> <p>Aluminium double glazed windows are inappropriate, they should be in timber with bars no thicker than for single glazing.</p> <p>David Thomas for BCAAC</p> <p style="text-align: right;">Form 21752213</p> |
