2022/1199/T	B A Abraham for the Belsize Society	01/04/2022 11:30:01	JUST	It is evident that the Robinia (T1) is in need of pruning. However, the tree is located beside Tasker Road and is visible from the street, and should only be felled as a last resort. An arboricultural report should be obtained to see whether the tree can be 'rescued' by pruning, in preference to felling.
