Dear Sir/Madam

## **DECISION**

Town and Country Planning Act 1990 (as amended)

### **Full Planning Permission Refused**

Address:

**Pavement outside No.  
221 Camden High Street  
London  
NW1 7BU**

Proposal:

Installation of a new phone hub unit following removal of existing kiosk as part of wider proposals to replace Infocus telephone kiosks.

Drawing Nos: Cover Letter JCDecaux 30/04/2021; JCD7 Sustainability aims and achievements; JCD9 Suggested conditions and reasons; JCD10 Pavement remediation; A01602 Site maps and visuals; Appendix JCD2 Existing site locations; Appendix JCD3 Proposed Site Locations; Appendix JCD4 - Communication Hub Proposals Hub Unit Detail; Schedule 1 London Borough of Camden Small Format Digital Advertising Specifications; Communication HUB Unit Management Plan V1 October 2020.

The Council has considered your application and decided to **refuse** planning permission for the following reason(s):

#### **Reason(s) for Refusal**

- 1 The proposed telephone kiosk, by reason of its location, size, detailed design, and proximity to other kiosks, would add to visual clutter and detract from the character and appearance of the street scene, and the setting of Camden Town Conservation Areas, contrary to Policies D1 (Design) and D2 (Heritage) of the London Borough of Camden Local Plan 2017.

- 2 The proposed telephone kiosk, by virtue of its location, size and detailed design, adding to unnecessary street clutter, would reduce the amount of useable, unobstructed footway, which would be detrimental to the quality of the public realm, cause harm to highway safety and hinder pedestrian movement and have a detrimental impact on the promotion of walking as an alternative to motorised transport, contrary to policies G1 (Delivery and location of growth), A1 (Managing the impact of development), C6 (Access for all) and T1 (Prioritising walking, cycling and public transport) of the London Borough of Camden Local Plan 2017.
- 3 The proposed telephone kiosk, by reason of its scale, location and design would add unnecessary street clutter which would increase opportunities for crime in an area which already experiences issues with crime, therefore the proposal would be contrary to policy C5 (Safety and security) of the London Borough of Camden Local Plan 2017.
- 4 In absence of a legal agreement to secure the removal of the existing kiosks and a maintenance plan or the proposed kiosk, the proposal would be detrimental to the quality of the public realm, and detract from the character and appearance of the streetscene, contrary to policies D1 (Design), G1 (Delivery and location of growth), A1 (Managing the impact of development), C6 (Access for all) and T1 (Prioritising walking, cycling and public transport) of the London Borough of Camden Local Plan 2017.
