Subject: 2022/1187/T tree felling

Dear team

My husband I live at 96 Albert Street, London, NW1 7NE.

We would like to object to the planning application to fell 2 trees at 102-104 Albert street.

2022/1187/T

On the grounds it seems extreme and pruning would be sufficient.

We should be protecting trees and the greenery we do have in Camden.

Kind regards

Kathryn Wingrove and John Davey
