**Subject:** 2021/3465/P 24 Constantine Road NW3

Hi  
This application does not allow comments.  
Development overlooks houses in Byron Mews.

I would like to object to the development at 24 Constantine Road.  
The Roof ridge and rear dormer has been build significantly higher than original planning application allows (application No 2017/2437/P).  
The new installed modern flat roof windows do not preserve the Camden Conservation area requirements, due to being clearly visible from surrounding buildings.

I would like to remain anonymous.

Regards  
David.
