2022/0626/P	Nila and Mark	05/04/2022 10:07:41	SUPPRT	We write to give full support to the above planning application. We are very glad to hear that this launderette will not re-open. As an owner of an adjacent flat to this launderette, the fire was a traumatic event to my family and kids. The risk that this place represented is far too high to even think about bringing it back. Thankfully this incident happened during day light and not at night.
